GUIDELINES FOR SETTING SERVICE FEES

Kindred's member-appointed Board of Directors has established the following six guidelines for setting service fees:

1. Members using the same service are to receive fair and equitable treatment.
2. Members in extraordinary circumstances may receive extraordinary consideration.
3. It is important that members perceive service fees as fair and competitive, and that value is received for the service rendered.
4. With fair and favourable pricing relative to the marketplace, members are to pay their fair share of costs for the services that they use.
5. Charges and fees may be set to stimulate the usage of certain services or to deter undesirable practices, such as the writing of NSF cheques.
6. In general, charges and fees are to be competitive in comparison with similar services or deterrent intentions available elsewhere.

NOTE: This service fee schedule includes the most common fees; other service fees may apply. Call or visit your local branch if you have any questions.

All fees are charged in the currency of the account. Individual services and fees are subject to change at any time without notice.
